

Proactive Transportation Safety Services, Inc. is recognized by the National Safety Council and the Oklahoma Safety Council. It is the only certified NSC Professional Truck Driver Defensive Driving Course Training Center in the state of Oklahoma.

The benefits of the program are numerous and below are some of the main reasons your fleet and drivers would benefit from the program:

- Documented and nationally recognized training/retraining program
- Increased Safety awareness and culture in your company
- Improved driver professionalism and productivity
- Potential for reduced insurance premiums, crashes, and violations

The program has been used in different phases of a driver's career to benefit both the driver and the fleet as noted below:

- New employee orientation
- Post-crash training
- Annual refresher training

Location of training:

Hard Rock Hotel & Casino Tulsa
777 W. Cherokee Street Catoosa, OK 74015
Conference Room: Deer 1

Course costs: **\$50/attendee – Course fee is due upon date of training.**

Course length of time: 3 hours
